

FRANKIA F-LINE FINAL EDITION / FRANKIA TITAN FINAL EDITION

World premiere: FINAL EDITION now also available on Fiat Ducato

Following the successful launch of the PLATIN FINAL EDITION in early 2026, the German premium manufacturer FRANKIA is now also paying tribute to the popular F-Line and Titan series based on Fiat: For 40 years, the chassis partner has enabled a wide variety of model ranges and special layouts. What makes the FINAL EDITION so special? Every model strives to create a sense of immense space and impresses with unique luxury equipments that combine all the best-selling options in a single edition, saving customers up to € 14,000 depending on the model. Three special premium A-class motorhomes are available as FINAL EDITION: FRANKIA I 640 SD F-LINE, FRANKIA I 740 GD F-LINE and FRANKIA I 790 GDW TITAN.

FRANKIA F-LINE FINAL EDITION / FRANKIA TITAN FINAL EDITION

The I 640 SD F-LINE FINAL EDITION impresses with a unique layout that demonstrates just how much space, comfort and self-sufficiency can be packed into a compact 6.4 metres. An optional extra-large Duo-bed measuring 192 x 200 cm (L x W) is available instead of the standard drop-down bed measuring 192 x 140 cm (L x W).

FRANKIA I 640 SD F-LINE FINAL EDITION

The unique layout for a tremendous sense of space

With the I 640 SD F-LINE FINAL EDITION FRANKIA presents an innovative, **out-of-the-box layout** that impressively demonstrates just how much (storage) **space, comfort and self-sufficiency** can be packed into a **compact 6.4-metre length**. The exceptional layout is designed for anyone who doesn't want to compromise on anything, even in a short A-class motorhome or as an alternative to a panel van – and **sets new standards in its class**.

What makes the I 640 SD F-LINE FINAL EDITION truly magnificent: an **unrivalled sense of space, interior storage** that is rarely found in a compact vehicle and a huge, fully separate **luxury rear bathroom**. Even more space for living and enjoying life is provided by a seating area that ranks among the **largest in its class**, as well as a large electric drop-down bed (192 x 140 cm). Travellers can even opt for a **Duo bed** measuring an **incredible 192 x 200 cm**. Smart comfort equipment: a **large L-shaped kitchen**, a TecTower with oven and freezer as well as numerous storage

FRANKIA F-LINE FINAL EDITION / FRANKIA TITAN FINAL EDITION

compartments, a larder pull-out and a 32-inch TV. Another special feature is the **floor-to-ceiling wardrobe**, which is accessible from both the interior and the bathroom.

High-quality materials, well-thought-out details and the first-class ThermoGuard PLUS insulation with a robust GRP structure make the vehicle **winter-proof** and ideally equipped for travel in any season. Thanks to a double floor with through-loading compartment, **ALDE warm water heating** (standard) and a wealth of standard **technical equipment** (320 Ah LiFePO4, 2 x 110 W solar panels), the FINAL EDITION I 640 SD remains **self-sufficient** even on longer trips.

Highlight in the FRANKIA I 640 SD F-LINE FINAL EDITION: a huge, luxurious rear bathroom with a shower and a ceramic toilet.

Further highlights of the FINAL-EDITION standard equipment: 180 HP engine with automatic gearbox, 10" navigation, automatic air conditioning, rear-view camera, DuoControl, ceramic toilet, socket pack, completely redesigned comfort cushions in the seating area and much more.

EDITION PRICE including top-of-the-range standard features and a distinctive design concept:

FRANKIA F-LINE FINAL EDITION / FRANKIA TITAN FINAL EDITION

The FINAL EDITION FRANKIA I 740 GD F-LINE is perfect for families who value a spacious living area and maximum storage space (it has the largest FRANKIA garage!). As standard equipment, it features an electric drop-down bed in addition to the separate beds (1.95 m and 2.00 m in length).

FRANKIA I 740 GD F-LINE FINAL EDITION

Perfect for couples and families who want to travel in style

With the FINAL EDITION I 740 GD F-LINE, FRANKIA presents the ideal **premium motorhome for families and couples** who want to travel in style and with the utmost comfort. This special edition model impresses with a **perfectly thought-out layout** that combines a spacious living area with plenty of storage space – ideal for everyone looking for **plenty of space** in a 7.5-metre-long model.

This **7.5-metre-long A-class** motorhome stands out with its clever longitudinal sleeping layout: two single beds, measuring 1.95 m and 2.00 m in length, guarantee a good night's sleep. Numerous storage compartments and overhead cupboards – including above the beds – provide space for luggage and essentials. The **largest FRANKIA garage** in its class with an internal height of 1.24 m offers ample space, even for bulky items such as e-bikes or ski equipment. In addition, there is **plenty of storage space in the double floor**, which is almost 35 cm high – perfect for stowing everything you need safely

FRANKIA F-LINE FINAL EDITION / FRANKIA TITAN FINAL EDITION

and neatly. The centrepiece of the living area is the **huge L-shaped seating area** combined with an electric fold-down bed – ideal for four persons. Those who want to live and travel in even greater style should opt for the **price-neutral layout with face-to-face seating area** and cupboards instead of the front drop-down bed. This combination turns the model into a true space giant! The I 740 GD FINAL EDITION also impresses with particularly **luxurious equipment** and a design focused on **maximum self-sufficiency**: The powerful 320 Ah battery and two solar panels ensure that travellers can enjoy independent and comfortable journeys even when far from campsites.

Perfect for discerning couples who want plenty of space: Face-to-face seating area and cupboards instead of the front drop-down bed (at no extra cost compared to the standard model).

The standard luxury equipment of the I 740 GD F-LINE FINAL EDITION includes:

ALDE warm water heating, 320 Ah LiFePO4 battery, 2 x 110 W solar panels, 180 HP engine with automatic gearbox, 10" navigation, automatic air conditioning, rear-view camera, DuoControl, ceramic toilet, socket pack, completely redesigned comfort cushions in the seating area and much more.

FRANKIA F-LINE FINAL EDITION / FRANKIA TITAN FINAL EDITION

FRANKIA I 790 GDW TITAN FINAL EDITION: At 8 metres length, this is the longest model of the edition and combines spaciousness, comfort and luxury at the highest level. Both the straight kitchen and the spacious bathroom are among the largest in their class. The face-to-face seating area is perfect for providing even more space.

FRANKIA I 790 GDW TITAN FINAL EDITION

Ideal for couples who love plenty of space, comfort and luxury

The FRANKIA I 790 GDW TITAN FINAL EDITION represents the pinnacle of this exclusive range based on Fiat. As the **largest model in the range** it combines spaciousness, comfort and luxury at the very highest level. At just under **eight metres in length**, this A-class motorhome offers an impressive design concept that sets new standards in terms of space: with a **spacious face-to-face seating area** featuring longitudinal benches, two comfortable single beds (1.95 m and 2 m in length), the **largest FRANKIA MaxiFlex straight kitchen** (also featuring a glass display cabinet and pull-out larder) and an **XL bathroom** (the largest in the F-Line/TITAN model range) – the kitchen and bathroom are among the **largest in their class!** The front cupboards (standard equipment instead of a drop-down bed) create a great open sense of space, further enhanced by a seamless living area with an **interior height of 2.03 metres**.

FRANKIA F-LINE FINAL EDITION / FRANKIA TITAN FINAL EDITION

Ideal for long-distance journeys with maximum comfort: the **generous amount of storage space**, both from the inside and the outside. This includes for example the **continuous heated double floor** measuring just under 35 cm – perfect for holidays in the colder season. The high-quality fabric-and-leather combination of the front seats as well as the **distinctive FINAL EDITION interior design** underline the premium status of this exceptional vehicle. In addition the **standard equipment features** a robust 180 HP engine, a 320 Ah LiFePO4 battery and two 110 W solar panels.

The FINAL EDITION offers a choice of four combinations – fabric in anthracite or cream, wood in Visby White or Noce Bianco.

Further highlights of the FINAL-EDITION standard equipment: 180 HP engine with automatic gearbox, 10" navigation, automatic air conditioning, rear-view camera, DuoControl, ceramic toilet, socket pack, completely redesigned comfort cushions in the seating area and much more.
